don't remember _____

105b

Now I would like to ask you some questions concerning the types of sexual activities that you and this person have experienced together. I realize that this is very personal information that you would normally not want to discuss with a stranger. The reason that we are asking you these questions is so that we can design more effective health programs and health education for you and your children. We will not succeed in our efforts without the participation and cooperation of people like yourself. Please try to answer the questions as candidly as possible. This information is strictly confidential and your name will not be revealed to anyone. Your name will not appear on any of our reports- everyone is identified by a number only.

106. Now, I would like to ask you some questions concerning the types of sexual activities that you and the last person you had sex with experienced together. Which of the following activities have you engaged in ? (probe, multiple response)
