SECOND COLUMN:

Discontinuation of contraceptive use

This column has been coded in ten variables for dates of discontinuations and ten variables for reasons for the discontinuation for maximum ten times of discontinuations during the period from January 1990 to the time of interview in 1995. The ten variables of dates or reasons of discontinuations share the root of variable names with the last digit refers to the order of the discontinuations in a time sequence.
