# URBAN EXPLORATION IN BUSAN, SOUTH KOREA: MAPPING COMMUNITIES IN THE SMART CITY

## Study Abroad in Busan Early Fall 2019, 5 credits

Program Dates: Aug. 11-Sep. 3, 2019  
Application Deadline: February 15, 2019  
Program Fee: \$3500 + \$450 Study Abroad Fee

This seminar provides students with a critical reflection on the smart city, urban regeneration and community-building process in the context of modern cities in South Korea, in particular Busan. Busan, the second largest city in Korea, will feature an exemplary global smart urban development, where smart technology and infrastructure are already part of people's everyday life. This course will also provide students an opportunity to work with digital (mapping) technologies as the process of developing their creative engagement with local communities.

Program Directors:  
Jin-Kyu Jung, IAS [jkjung5@uw.edu](mailto:jkjung5@uw.edu)  
Gunwha Oh, Geography & IAS [gunwhaoh@uw.edu](mailto:gunwhaoh@uw.edu)
