

# Postdoctoral Fellow

## Research Project on Causes of Geographic Divergence in American Mortality

UNIVERSITY OF PENNSYLVANIA  
POPULATION STUDIES CENTER

**DEADLINE: JUNE 30, 2019**

The individual will collaborate with a group of other investigators and have some time for his/her own research. The successful applicant should have training and experience using demographic and statistical methods, including statistical analyses of large micro-level data sets. To apply, applicants should submit a brief cover letter describing why they are interested in the position, a curriculum vitae, a writing sample and two letters of recommendation.

Submit all applications to Dawn Ryan: [ryandawn@pop.upenn.edu](mailto:ryandawn@pop.upenn.edu).

If you have questions, you should address them to Professor Irma Elo, Population Studies Center, 3718 Locust Walk, University of Pennsylvania, Philadelphia, Pa. 19104 or email: [popelo@pop.upenn.edu](mailto:popelo@pop.upenn.edu).
