CSDE is pleased to pledge matching support of \$2,000 to your PHI Tier 1 proposal, *Social sensors for slow-onset climate events in Washington State food systems: Laying the foundation through systems engineering and social science research*. We will provide these funds, to be used for faculty salary and benefits, if your proposal is selected for funding by PHI.

We're delighted to support this project and wish you the very best in the competition.

Sincerely,

Steven M. Goodreau
Development Core Director, CSDE

CSDE acknowledges we are on Coast Salish territory, the traditional homeland of the Duwamish, Suquamish, Tulalip, and Muckleshoot nations and other Native peoples.

CSDE's commissioned logo from Native artist, UW Professor Marvin Oliver acknowledges these vital connections to native peoples and territories
