Re: Population Health Initiative Seed Grants and Matching Support

CSDE is pleased to pledge matching support for your PHI Tier 2 proposal, *Exploring the effectiveness and implementation of paid leave programs for domestic violence*. We pledge \$23,591 to cover expenses associated with Dr. Adhia's salary and benefits, as well as for hiring an RA, either during the academic year or summer or both. We will provide these resources if your proposal is selected for funding by PHI.

We're delighted to support this project and wish you the very best in the competition.

Sincerely,

Steven M. Goodreau
Development Core Director, CSDE
