Re: Population Health Initiative Seed Grants and Matching Support

CSDE is pleased to pledge matching support for your PHI proposal, *Center for Migration Health*. We can offer you \$10,000 for salary/benefits support as you continue to meet with stakeholders to develop a vision for the Center. As you have already been awarded the PHI grant, our funds will be available immediately.

Please work with Patrick Allen (pjallen@uw.edu) to process these FTE requests, or Maddie Farris (csde-prgm-coord@uw.edu) for any additional logistical matters. And of course feel free to reach out to myself (goodreau@uw.edu) or Sara Curran (scurran@uw.edu) with any questions.

We're delighted to support this project and look forward to all of the.

Sincerely,

Steven M. Goodreau
